Data Fueled Districts

Question: What will drive MCSD forward?

Data Fueled Districts

Question: What will drive MCSD forward?

Reality: *Data is the Oil of the 21st century!*

1 Local Leaders in Data: Data Science Meetups

2 Statewide Data

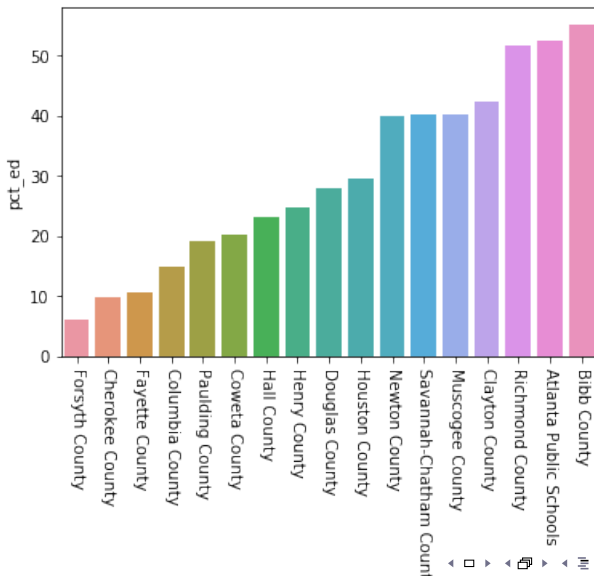

3 How Can We Help?

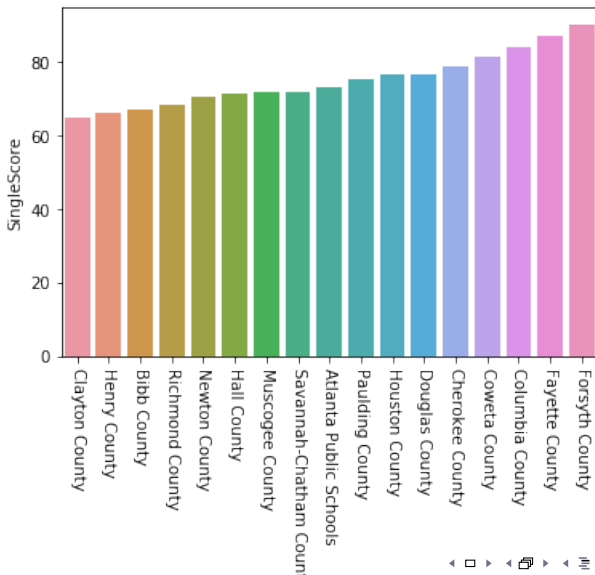

Join us at the Columbus Data Science Meetups

- **When:** 2nd Tuesday of the Month
- **Where:** AFLAC
- **How:** Sign up on www.meetup.com
- **Who:** Local analytics professionals interested in professional development and networking
- **What:** Workshops on analytics, data, and business intelligence
- **Why:** Bring Big Data insights to improve small town life

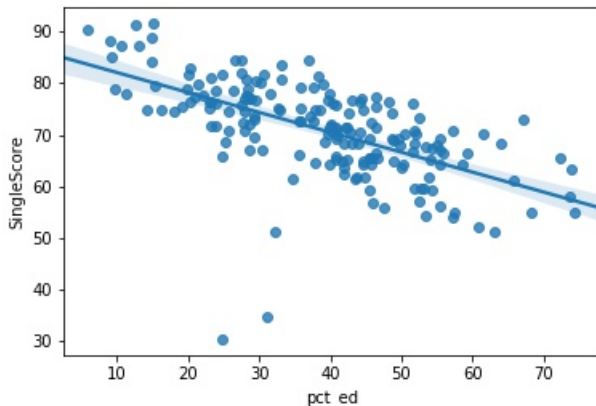

Poverty: Something you know

Scores: Something else you may know

Poverty vs. Scores: Something you need to know

Let's Partner with the MCSD!

- **Analysis:** We want to crunch some numbers *pro bono*
- **Partners in Education:** Senior projects, shadowing, speaking
- **Promotion:** You have great staff! (Two of our speakers in the last year!)
- **To Do:** Next meeting tomorrow on GIS! Sign up on www.meetup.com
- **Email Me or LinkedIn:** Jason Quinley quinleyjason@gmail.com

Thank You!
